

Greetings from Dublin!

Thank you for your prayers and support for the ministry here in Dublin. We really appreciate this. Here are a few updates of what has been happening during lockdown since Christmas.

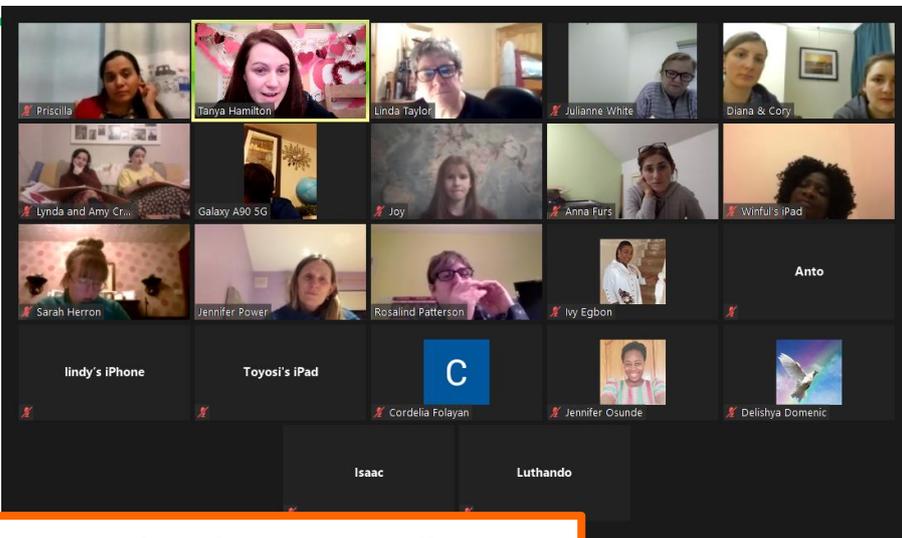

TCE1!

Thank you for your prayers for the **TCE1 course**. It started on Thursday January 7th and ran for 12 weeks. 26 people attended the course with each one doing 1, 2 or 3 modules and we praise God for each one.

During this course we looked at teaching the memory verse, the Bible lesson and counselling a child for salvation as well as many other topics. **Ezra 7v10** reminds us of how Ezra set his heart to study the word, to do it (put it into practice) and then teach the word. In this course, the teachers learned the important steps of preparation in teaching children God's word.

Two of the students are studying at New Tribes Mission Bible college in England and are preparing to go to the mission field to reach unreached people groups. Do pray for all of these students that God will use them where He has placed them to reach the children and share the good news of the gospel!

We are organising a meeting for Friday 23rd April at 8pm via Zoom to share some updates about the ministry here. If you're free, we'd love to see you. Meeting ID is 818 0586 3923. Passcode for Zoom is Dublin.

Caleb, Faith and Matthew are delighted to be back in school after 2 months of home- schooling!

They have really missed going up north to visit family and some of their normal activities.

Good News Club...

The Good News Club is still on Saturday night at 5pm via **Zoom**. We are amazed and we praise God for the interest there is in club. For the commitment of the children each week to join and their enthusiasm! We are thankful for the committed leaders each week. Especially after a year of lockdown and Zoom!

The children **receive a pack** every 6 weeks and it contains worksheets, the memory verses, and other items to work on during lockdown. This season we have also been learning about the **fruit of the Spirit**. Each week the GNC video then goes unto the **CEf Dublin YouTube channel**. Others then watch the GNC video later! There have been nearly 13,000 visits to the channel.

Check out the **CEf of Ireland YouTube channel** to watch Easter Conference online (3rd & 5th April! On the 29th of May there will be an online Family Conference with really helpful seminars! Keep the date free! More details will follow 😊

Summer 2021!

This summer there won't be residential camps but there could be the possibility of an online camp as we have children coming to camps that live far apart and venues may not be available for day camps. But we do plan to have 5DCs in the areas where they normally would be. Do pray please that we would know God's wisdom in this.

Youth!

Since the pandemic we still meet the young people on Zoom each Saturday at 7pm.

Some of these young people continue to read God's word each day on the **Bible project reading App**. Here is what **Esther** says: "Participating in the reading challenge has been so amazing to do, especially with other Christians my age. It has helped me to grow in faith and in the knowledge of God as well as grow in my devotional and prayer life. My favourite thing about reading with Stephen and the other youth is being able to discuss questions and passages."
