

I praise God for His grace and faithfulness over the past year. Although I have really missed seeing the children and teaching them face to face, I am confident that the Lord is continuing to speak on through His Word, working in the lives and hearts of the boys and girls and their families. My reason for such confidence is the sufficiency and supremacy of God's most precious Word. A promise I often rest upon is Isaiah 55v11, "So shall my word be that goeth forth out of my mouth: it shall not return unto me void, but it shall accomplish that which I please, and it shall prosper in the thing whereto I sent it". Praise God that He is working in many ways we're not even aware of. I thank the Lord for His help in the recording and editing of simple videos for the children to watch online. As they have watched Bible series on Ruth and David and missionary lessons on Amy Carmichael, Helen Roseveare and Lottie Moon we pray that children and their parents will see their need of the Lord Jesus Christ as their own and personal Saviour and will come to trust in His finished work on the cross. We long that they will then be added to local Bible believing churches, living their lives to serve their Master bringing glory and honour to Him. I am really thankful for very faithful supporters who have made it possible for the children to receive eight literature packs over the past year containing books, tracts, DVDs, crafts and other little treats. Please pray on for God to impact whole families through these means. I would greatly appreciate your prayers for the Lord to grant me wisdom in the coming weeks and months regarding the summer work. May He clearly lead and guide. Many thanks for your prayerful interest and support.
